

## Workshop:

### **Te Whaariki & Planning**

Tuesday 23<sup>rd</sup> November 6.30 to 8.30pm  
**OR** Friday 26<sup>th</sup> November 12.30 to 2.30pm  
**OR** Saturday 27<sup>th</sup> November 9-11am

We are offering this as an evening, day or weekend workshop to increase access to this important Professional Development. When registering, please advise of your first choice of date and also if you would be available for any of the other dates if we have low registrations and need to combine. Workshops are more effective and interesting when there are enough people to do some group work.

Held at the Kids At Home office:  
291 Vaile Street, Te Awamutu.

**Te Whariki** is the NZ Early Childhood Curriculum. It is a Ministry of Education requirement that we know, understand and implement this.

**Scary?...doesn't have to be.**

This is an holistic curriculum – everything you do with the children is in here somewhere – Relationships, links with the community (trips & excursions), Exploration, Well-being and more.

**Planning:** Why do we need to plan and what does it look like when documented. (You'll be surprised how easy this is and it only takes a few minutes each month!) Can my Visiting Teacher do this with me on her visits? What kinds of things do I plan for?

**We encourage all educators/nannies and  
volunteers to attend.**

**RSVP by Thursday 18<sup>th</sup> November 2010**
